The Idea behind the birth of Rolan

Mr. **Shubham Keswad**

Founder, Rolan

“We don’t just install machines; we create hassle-free hydration experiences for businesses. With Rolan, your team stays safe, hydrated, and focused.”

Leading the way in the water purification sector, Rolan rents out contactless, plastic-free RO water systems to businesses, corporations, and industrial facilities. Previously known as Dass Water Solutions, we have established a solid reputation over the last 9+ years by offering fully managed, environmentally friendly hydration solutions that are suited to the present-day business requirements
